IN RESPECT OF:

West Park Health Centre located at
103 Pelham Road St. Catharines, ON L2S 1S9

Background:

This service accountability agreement is entered into pursuant to the *Local Health System Integration Act, 2006*, with the expectation that it will be transferred by means of a transfer order issued by the Minister of Health under the *Connecting Care Act, 2019* (the “CCA”), from the LHIN as funder to Ontario Health, which is a Crown agency which, pursuant to the CCA, has the power to provide funding to health service providers and integrated care delivery systems in respect of health services.

The HSP and the Funder are committed to working together, and with others, to achieve evolving provincial priorities including building a connected and sustainable health care system centred around the needs of patients, their families and their caregivers.

The Funder recognizes municipalities as responsible and accountable governments with respect to matters within their jurisdiction. The Funder acknowledges the unique character of municipal governments that are funded health service providers (each a “Municipal HSP”) under the Provincial Long-Term Care Home Service Accountability Agreement template (the “LSAA”), and the challenges faced by Municipal HSPs in complying with the terms of the LSAA, given the legal framework under which they operate. The Funder further recognizes and acknowledges that where a Municipal HSP faces a particular challenge in meeting its obligations under the LSAA due to its responsibilities as a municipal government or the legal framework under which it operates, it may be appropriate for the Funder to consult with the Municipal HSP and to use reasonable efforts to resolve the issue in a collaborative way that respects the municipal government while operating under the LSAA as a Municipal HSP.

In this context, the HSP and the Funder agree that the Funder will provide funding to the HSP on the terms and conditions set out in this Agreement to enable the provision of services to the health system by the HSP.

3.6.4 If Designated. If the HSP is Designated it will:

- (a) apply the principles of Active Offer in the provision of services;
- (b) continue to provide services to the public in French in accordance with the provisions of the FLSA;
- (c) maintain its French language services capacity;
- (d) submit a French language implementation report to the Funder on the date specified by the Funder, and thereafter, on each anniversary of that date, or on such other dates as the Funder may, by Notice, require; and,
- (e) collect and submit to the Funder as requested by the Funder from time to time, French language services data.

ARTICLE 4.0 - FUNDING

4.1 Funding. Subject to the terms of this Agreement, and in accordance with the applicable provisions of the Accountability Agreement, the Funder will provide the Funding by depositing the Funding in monthly instalments over the term of this Agreement, into an account designated by the HSP provided that the account

resides at a Canadian financial institution and is in the name of the HSP.

4.2 Conditions of Funding.

- (a) The HSP will:
 - (1) use the Funding only for the purpose of providing the Services in accordance with Applicable Law, Applicable Policy and the terms of this Agreement;
 - (2) not use the Funding for compensation increases prohibited by Applicable Law;
 - (3) meet all obligations in the Schedules;
 - (4) fulfill all other obligations under this Agreement; and
 - (5) plan for and achieve an Annual Balanced Budget.
- (b) Interest Income will be reported to the Funder and is subject to a year-end reconciliation. The Funder may deduct the amount equal to the Interest Income from any further funding instalments under this or any other agreement with the HSP or the Funder may require the HSP to pay an amount equal to the unused Interest Income to the Ministry of Finance.

4.3 Limitation on Payment of Funding. Despite section 4.1, the Funder:

- (a) will not provide any funds to the HSP until this Agreement is fully executed;
- (b) may pro-rate the Funding if this Agreement is signed after the Effective Date;
- (c) will not provide any funds to the HSP until the HSP meets the insurance requirements described in section 11.4;
- (d) will not be required to continue to provide funds,
 - (1) if the Minister or the Director so directs under the terms of the Act;
 - (2) while the Home is under the control of an interim manager pursuant to section 157 of the Act; or
 - (3) in the event the HSP breaches any of its obligations under this Agreement until the breach is remedied to the Funder's satisfaction; and
- (e) upon notice to the HSP, may adjust the amount of funds it provides to the HSP in any Funding Year pursuant to Article 5.

4.4 Additional Funding. Unless the Funder has agreed to do so in writing, the Funder is not required to provide additional funds to the HSP for providing services other than the Services or for exceeding the requirements of Schedule D.

4.5 Appropriation. Funding under this Agreement is conditional upon an

appropriation of moneys by the Legislature of Ontario to the Ministry and funding of the Funder by the Ministry pursuant to the Enabling Legislation. If the Funder does not receive its anticipated funding the Funder will not be obligated to make the payments required by this Agreement.

4.6 Procurement of Goods and Services.

- (a) If the HSP is subject to the procurement provisions of the BPSAA, the HSP will abide by all directives and guidelines issued by the Management Board of Cabinet that are applicable to the HSP pursuant to the BPSAA.
- (b) If the HSP is not subject to the procurement provisions of the BPSAA, the HSP will have a procurement policy in place that requires the acquisition of supplies, equipment or services valued at over \$25,000 through a competitive process that ensures the best value for funds expended. If the HSP acquires supplies, equipment or services with the Funding it will do so through a process that is consistent with this policy.

4.7 Disposition. Subject to Applicable Law and Applicable Policy, the HSP will not, without the Funder's prior written consent, sell, lease or otherwise dispose of any assets purchased with Funding, the cost of which exceeded \$25,000 at the time of purchase.

ARTICLE 5.0 - ADJUSTMENT AND RECOVERY OF FUNDING

5.1 Adjustment of Funding.

- (a) The Funder may adjust the Funding in any of the following circumstances:
 - (1) in the event of changes to Applicable Law or Applicable Policy that affect Funding;
 - (2) on a change to the Services;
 - (3) if required by either the Director or the Minister under the Act;
 - (4) in the event that a breach of this Agreement is not remedied to the satisfaction of the Funder; and
 - (5) as otherwise permitted by this Agreement.
- (b) Funding recoveries or adjustments required pursuant to section 5.1(a) may be accomplished through the adjustment of Funding, requiring the repayment of Funding, through the adjustment of the amount of any future funding installments, or through both. Approved Funding already expended properly in accordance with this Agreement will not be subject to adjustment. The Funder will, at its sole discretion, and without liability or penalty, determine whether the Funding has been expended properly in accordance with this Agreement.

- (c) In determining the amount of a funding adjustment under section 5.1 (a) (4) or (5), the Funder shall take into account the following principles:
- (1) Resident care must not be compromised through a funding adjustment arising from a breach of this Agreement;
 - (2) the HSP should not gain from a breach of this Agreement;
 - (3) if the breach reduces the value of the Services, the funding adjustment should be at least equal to the reduction in value; and
 - (4) the funding adjustment should be sufficient to encourage subsequent compliance with this Agreement,

and such other principles as may be articulated in Applicable Law or Applicable Policy from time to time.

5.2 Provision for the Recovery of Funding. The HSP will make reasonable and prudent provision for the recovery by the Funder of any Funding for which the conditions of Funding set out in section 4.2(a) are not met and will hold this Funding in an interest bearing account until such time as reconciliation and settlement has occurred with the Funder.

5.3 Settlement and Recovery of Funding for Prior Years.

- (a) The HSP acknowledges that settlement and recovery of Funding can occur up to 7 years after the provision of Funding.
- (b) Recognizing the transition of responsibilities from the Ministry to the Funder, the HSP agrees that if the parties are directed in writing to do so by the Ministry, the Funder will settle and recover funding provided by the Ministry to the HSP prior to the transition of the funding for the Services to the Funder, provided that such settlement and recovery occurs within 7 years of the provision of the funding by the Ministry. All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.4 Debt Due.

- (a) If the Funder requires the re-payment by the HSP of any Funding, the amount required will be deemed to be a debt owing to the Crown by the HSP. The Funder may adjust future funding instalments to recover the amounts owed or may, at its discretion, direct the HSP to pay the amount owing to the Crown and the HSP shall comply immediately with any such direction.
- (b) All amounts repayable to the Crown will be paid by cheque payable to the "Ontario Minister of Finance" and mailed or delivered to the Funder at the address provided in section 13.1.

- 5.5 Interest Rate.** The Funder may charge the HSP interest on any amount owing by the HSP at the then current interest rate charged by the Province of Ontario on accounts receivable.

ARTICLE 6.0 - PLANNING & INTEGRATION

6.1 Planning for Future Years.

- (a) **Advance Notice.** The Funder will give at least 60 Days' Notice to the HSP of the date by which a Planning Submission, approved by the HSP's governing body, must be submitted to the Funder.
- (b) **Multi-Year Planning.** The Planning Submission will be in a form acceptable to the Funder and may be required to incorporate
 - (1) prudent multi-year financial forecasts;
 - (2) plans for the achievement of Performance Targets; and
 - (3) realistic risk management strategies.

If applicable, it will be aligned with the LHIN's then current integrated health service plan required by LHSIA and will reflect the Funder's priorities and initiatives. If the Funder has provided multi-year planning targets for the HSP, the Planning Submission will reflect the planning targets.

- (c) **Multi-year Planning Targets.** The parties acknowledge that the HSP is not eligible to receive multi-year planning targets under the terms of Schedule B in effect as of the Effective Date. In the event that Schedule B is amended over the term of this Agreement and the Funder is able to provide the HSP with multi-year planning targets, the HSP acknowledges that these targets:
 - (1) are targets only;
 - (2) are provided solely for the purposes of planning;
 - (3) are subject to confirmation; and
 - (4) may be changed at the discretion of the Funder.

The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

The Funder agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

- (d) **Service Accountability Agreements.** Subject to advice from the Director about the HSP's history of compliance under the Act and provided that the HSP has fulfilled its obligations under this Agreement, the parties expect that they will enter into a new service accountability agreement at the end of the Term. The Funder will give the HSP at least 6 months' Notice if the Funder does not intend to enter into negotiations for a subsequent service accountability agreement

because the HSP has not fulfilled its obligations under this Agreement. The HSP acknowledges that if the Funder and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

- (a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the Funder including but not limited to the HSP's Planning Submission and integration proposals. As part of its community engagement activities, the HSPs will have in place, and utilize, effective mechanisms for engaging families and patients to help inform the HSP plans, including the HSP's contribution to the establishment and implementation by the Funder of geographic sub-regions in the health system.
- (b) **Integration.** The HSP will, separately and in conjunction with the Funder, other health service providers, if applicable, and integrated care delivery systems, if applicable, identify opportunities to integrate the services of the local health system to provide appropriate, coordinated, effective and efficient services.
- (c) **Reporting.** The HSP will report on its community engagement and integration activities, using any templates provided by the Funder, as requested by the Funder.

6.3 Planning and Integration Activity Pre-proposals.

- (a) **General.** A pre-proposal process has been developed to (A) reduce the costs incurred by an HSP when proposing operational or service changes; (B) assist the HSP to carry out its statutory obligations; and (C) enable an effective and efficient response by the Funder. Subject to specific direction from the Funder, this pre-proposal process will be used in the following instances:
 - (1) the HSP is considering an integration, or an integration of services, as defined in the Enabling Legislation between the HSP and another person or entity;
 - (2) the HSP is proposing to reduce, stop, start, expand or transfer the location of services, which for certainty includes: the transfer of Services from the HSP to another person or entity anywhere; and the relocation or transfer of services from one of the HSP's sites to another of the HSP's sites anywhere;
 - (3) to identify opportunities to integrate the services of the local health system, other than those identified in (A) or (B) above; or
 - (4) if requested by the Funder.

- (b) **Funder Evaluation of the Pre-proposal.** Use of the pre-proposal process is not formal Notice of a proposed integration under the Enabling Legislation. Funder consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does the Funder consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by the Enabling Legislation. Following the Funder's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the Funder.
- (c) Where an HSP integrates its services with those of another person and the integration relates to services funded in whole or in part by the Funder, the HSP will follow the provisions of the Enabling Legislation. Without limiting the foregoing, a transfer of services from the HSP to another person or entity is an example of an integration to which the Enabling Legislation may apply.

6.4 Proposing Integration Activities in the Planning Submission. No integration activity described in section 6.3 may be proposed in a Planning Submission unless the Funder has consented, in writing, to its inclusion pursuant to the process set out in section 6.3.

6.5 Termination of Designation of Convalescent Care Beds.

- (a) Notwithstanding section 6.3, the provisions in this section 6.5 apply to the termination of a designation of convalescent care Beds.
- (b) The HSP may terminate the designation of one or more convalescent care Beds and revert them back to long-stay Beds at any time provided the HSP gives the Ministry and the Funder at least 6 months' prior Notice. Such Notice shall include:
 - (1) a detailed transition plan, satisfactory to the Funder acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and to revert same to a long-stay Bed; and,
 - (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate and the Bed will revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the 6-month Notice period has been discharged from that Bed, unless otherwise agreed by the Funder and the HSP.

- (c) The Funder may terminate the designation of the convalescent care Beds at any time by giving at least 6 months' prior Notice to the HSP. Upon

receipt of any such Notice, the HSP shall, within the timeframe set out in the Notice, provide the Funder with:

- (1) a detailed transition plan, satisfactory to the Funder acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and, if required by the Notice, to revert same to a long-stay Bed; and,
- (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate, and if applicable revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the Notice period has been discharged from that Bed, unless otherwise agreed by the Funder and the HSP.

ARTICLE 7.0 - PERFORMANCE

7.1 Performance. The parties will strive to achieve on-going performance improvement. They will address performance improvement in a proactive, collaborative and responsive manner.

7.2 Performance Factors.

- (a) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible after the party becomes aware of the Performance Factor. The Notice will:
 - (1) describe the Performance Factor and its actual or anticipated impact;
 - (2) include a description of any action the party is undertaking, or plans to undertake, to remedy or mitigate the Performance Factor;
 - (3) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
 - (4) address any other issue or matter the party wishes to raise with the other party.
- (b) The recipient party will provide a written acknowledgment of receipt of the Notice within 7 Days of the date on which the Notice was received ("Date of the Notice").
- (c) Where a meeting has been requested under section 7.2(a), the parties agree to meet and discuss the Performance Factors within 14 Days of the Date of the Notice, in accordance with the provisions of section 7.3. PICB may be included in any such meeting at the request of either party.

7.3 Performance Meetings. During a meeting on performance, the parties will:

- (a) discuss the causes of a Performance Factor;
- (b) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
- (c) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the "Performance Improvement Process").

7.4 The Performance Improvement Process.

- (a) The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include one or more of the following actions:

- (1) a requirement that the HSP develop and implement an improvement plan that is acceptable to the Funder;
 - (2) the conduct of a Review;
 - (3) an amendment of the HSP's obligations; and
 - (4) an in-year, or year end, adjustment to the Funding,

among other possible means of responding to the Performance Factor or improving performance.

- (b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement. Any performance improvement required by a Funder under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the Funder.

7.5 Factors Beyond the HSP's Control. Despite the foregoing, if the Funder, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the HSP's Control:

- (a) the Funder will collaborate with the HSP to develop and implement a mutually agreed upon joint response plan which may include an amendment of the HSP's obligations under this Agreement;
- (b) the Funder will not require the HSP to prepare an Improvement Plan; and
- (c) the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the HSP's Control.

ARTICLE 8.0 - REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting.

- (a) **Generally.** The Funder's ability to enable the health system to provide appropriate, co-ordinated, effective and efficient health services, is heavily

dependent on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP, its Residents and its performance of its obligations under this Agreement, is under the HSP's control.

(b) **Specific Obligations.** The HSP:

- (1) will provide to the Funder, or to such other entity as the Funder may direct, in the form and within the time specified by the Funder, the Reports other than personal health information as defined in the Enabling Legislation, that the Funder requires for the purposes of exercising its powers and duties under this Agreement or the Enabling Legislation or for the purposes that are prescribed under any Applicable Law;
- (2) will comply with the applicable reporting standards and requirements in both Chapter 9 of the Ontario Healthcare Reporting Standards and the RAI MDS Tools;
- (3) will fulfil the specific reporting requirements set out in Schedule C;
- (4) will ensure that every Report is complete, accurate, signed on behalf of the HSP by an authorized signing officer where required and provided in a timely manner and in a form satisfactory to the Funder; and
- (5) agrees that every Report submitted to the Funder by or on behalf of the HSP, will be deemed to have been authorized by the HSP for submission.

For certainty, nothing in this section 8.1 or in this Agreement restricts or otherwise limits the Funder's right to access or to require access to personal health information as defined in the Enabling Legislation, in accordance with Applicable Law for purposes of carrying out the Funder's statutory objects to achieve the purposes of the Enabling Legislation, including, if applicable, to provide certain services, supplies and equipment in accordance with section 5(m.1) of LHSIA and to manage placement of persons in accordance with section 5(m.2) of LHSIA.

(c) **RAI MDS.** Without limiting the foregoing, the HSP

- (1) will conduct quarterly assessments of Residents, and all other assessments of Residents required by the RAI MDS Tools, using the RAI MDS Tools;
- (2) will ensure that the RAI MDS Tools are used correctly to produce an accurate assessment of the HSP's Residents ("RAI MDS Data");
- (3) will submit the RAI MDS Data to the Canadian Institute for Health Information ("CIHI") in an electronic format at least quarterly in accordance with the submission guidelines set out by CIHI; and
- (4) acknowledges that if used incorrectly, the RAI MDS Tools can

increase Funding beyond that to which the HSP would otherwise be entitled. The HSP will therefore have systems in place to regularly monitor, evaluate and where necessary correct the quality and accuracy of the RAI MDS Data.

- (d) **Quality Improvement Plan.** The HSP will submit a Quality Improvement Plan to Ontario Health that is aligned with this Agreement and supports local health system priorities.
- (e) **French Language Services.** If the HSP is required to provide services to the public in French under the provisions of the *FLSA*, the HSP will be required to submit a French language services report to the Funder. If the HSP is not required to provide services to the public in French under the provisions of the *FLSA*, it will be required to provide a report to the Funder that outlines how the HSP addresses the needs of its local Francophone community.
- (f) **Declaration of Compliance.** On or before March 1 of each Funding Year, the Board will issue a Compliance Declaration declaring that the HSP has complied with the terms of this Agreement. The form of the declaration is set out in Schedule E and may be amended by the Funder from time to time through the term of this Agreement.
- (g) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the Funder, the HSP may be subject to a financial reduction if any of the Reports are received after the due date, are incomplete, or are inaccurate where the errors or delay were not as a result of Funder actions or inaction or the actions or inactions of persons acting on behalf of the Funder. If assessed, the financial reduction will be as follows:
 - (1) if received within 7 Days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00); and
 - (2) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

8.2 Reviews.

- (a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the Funder or its authorized representatives may conduct a Review of the HSP to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the Funder or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises to:
 - (1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in the Enabling Legislation, in the

- possession or under the control of the HSP which relate to the Funding or otherwise to the Services; and
 - (2) inspect and copy non-financial records, other than personal health information as defined in the Enabling Legislation, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.
- (b) The cost of any Review will be borne by the HSP if the Review (1) was made necessary because the HSP did not comply with a requirement under the Act or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.
 - (c) To assist in respect of the rights set out in (a) above the HSP shall disclose any information requested by the Funder or its authorized representatives, and shall do so in a form requested by the Funder or its authorized representatives.
 - (d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

8.3 Document Retention and Record Maintenance. The HSP will

- (a) retain all records (as that term is defined in FIPPA) related to the HSP's performance of its obligations under this Agreement for 7 years after the termination or expiration of the term of this Agreement. The HSP's obligations under this section will survive any termination or expiry of this Agreement;
- (b) keep all financial records, invoices and other finance-related documents relating to the Funding or otherwise to the Services in a manner consistent with either generally accepted accounting principles or international financial reporting standards as advised by the HSP's auditor; and
- (c) keep all non-financial documents and records relating to the Funding or otherwise to the Services in a manner consistent with all Applicable Law.

8.4 Disclosure of Information.

- (a) **FIPPA.** The HSP acknowledges that the Funder is bound by FIPPA and that any information provided to the Funder in connection with this Agreement may be subject to disclosure in accordance with FIPPA.
- (b) **Confidential Information.** The parties will treat Confidential Information as confidential and will not disclose Confidential Information except with the consent of the disclosing party or as permitted or required under FIPPA, the *Municipal Freedom of Information and Protection of Privacy*

Act, the Personal Health Information Protection Act, 2004, the Act, court order, subpoena or other Applicable Law. Notwithstanding the foregoing, the Funder may disclose information that it collects under this Agreement in accordance with the Enabling Legislation.

- 8.5. Transparency.** The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the Funder during the term of this Agreement in a conspicuous and easily accessible public place at the Home and on its public website if the HSP operates a public website.
- 8.6 Auditor General.** For greater certainty the Funder's rights under this article are in addition to any rights provided to the Auditor General under the *Auditor General Act* (Ontario).

ARTICLE 9.0 - ACKNOWLEDGEMENT OF FUNDER SUPPORT

- 9.1 Publication.** For the purposes of this Article 9, the term "*Publication*" means: an annual report; a strategic plan; a material publication on a consultation about a possible integration; a material publication on community engagement; and, a material report to the community that the HSP develops and makes available to the public in electronic or hard copy.

ARTICLE 11.0 - LIMITATION OF LIABILITY, INDEMNITY & INSURANCE

11.1 Limitation of Liability. The Indemnified Parties will not be liable to the HSP or any of the HSP's Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful act of any of the Indemnified Parties.

11.2 Same. For greater certainty and without limiting section 11.1, the Funder is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover, the Funder is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.

amounts required to be paid to maintain a valid WSIA Clearance Certificate throughout the term of this Agreement.

- (3) All Risk Property Insurance on property of every description, for the term, providing coverage to a limit of not less than the full replacement cost, including earthquake and flood. All reasonable deductibles and self-insured retentions are the responsibility of the HSP.
 - (4) Comprehensive Crime insurance, Disappearance, Destruction and Dishonest coverage.
 - (5) Errors and Omissions Liability Insurance insuring liability for errors and omissions in the provision of any professional services as part of the Services or failure to perform any such professional services, in the amount of not less than two million dollars per claim and in the annual aggregate.
- (c) **Certificates of Insurance.** The HSP will provide the Funder with proof of the insurance required by this Agreement in the form of a valid certificate of insurance that references this Agreement and confirms the required coverage, on or before the commencement of this Agreement, and renewal replacements on or before the expiry of any such insurance. Upon the request of the Funder, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 12.0 – TERMINATION

12.1 Termination by the Funder.

- (a) **Immediate Termination.** The Funder may terminate this Agreement immediately upon giving Notice to the HSP if:
- (1) the HSP is unable to provide or has discontinued the Services in whole or in part or the HSP ceases to carry on business;
 - (2) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver;
 - (3) the Funder is directed, pursuant to the Act, to terminate this Agreement by the Minister or the Director;
 - (4) the Home has been closed in accordance with the Act; or
 - (5) as provided for in section 4.5, the Funder does not receive the necessary funding from the Ministry.

- (b) **Termination in the Event of Financial Difficulties.** If the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver the Funder will consult with the Director before determining whether this Agreement will be terminated. If the Funder terminates this Agreement because a person has exercised a security interest as contemplated by section 107 of the Act, the Funder would expect to enter into a service accountability agreement with the person exercising the security interest or the receiver or other agent acting on behalf of that person where the person has obtained the Director's approval under section 110 of the Act and has met all other relevant requirements of Applicable Law.
- (c) **Opportunity to Remedy Material Breach.** If an HSP breaches any material provision of this Agreement, including, but not limited to, the reporting requirements in Article 8 and the representations and warranties in Article 10 and the breach has not been satisfactorily resolved under Article 7, the Funder will give the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will advise the HSP that the Funder may terminate this Agreement:
- (1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
 - (2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the Funder that the HSP cannot completely remedy the breach within that time or such further period of time as the Funder considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder; and

the Funder may then terminate this Agreement in accordance with the Notice.

12.2 Termination of Services by the HSP.

- (a) Except as provided in section 12.2(b) and (c) below, the HSP may terminate this Agreement at any time, for any reason, upon giving the Funder at least six months' Notice.
- (b) Where the HSP intends to cease providing the Services and close the Home, the HSP will provide Notice to the Funder at the same time the HSP is required to provide Notice to the Director under the Act. The HSP will ensure that the closure plan required by the Act is acceptable to the Funder.
- (c) Where the HSP intends to cease providing the Services as a result of an intended sale or transfer of a Licence in whole or in part, the HSP will comply with section 6.3 of this Agreement.

12.3 Consequences of Termination.

- (a) If this Agreement is terminated pursuant to this Article, the Funder may:
- (1) cancel all further Funding instalments;
 - (2) demand the repayment of any Funding remaining in the possession or under the control of the HSP;
 - (3) determine the HSP's reasonable costs to wind down the Services; and
 - (4) permit the HSP to offset the costs determined pursuant to section (3), against the amount owing pursuant to section (2).
- (b) Despite (a), if the cost determined pursuant to section 12.3(a) (3) exceeds the Funding remaining in the possession or under the control of the HSP the Funder will not provide additional monies to the HSP to wind down the Services.

12.4 Effective Date. Termination under this Article will take effect as set out in the Notice.

12.5 Corrective Action. Despite its right to terminate this Agreement pursuant to this Article, the Funder may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the Funder determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.
